Together We *Can* Reduce Our Environmental Footprint

Subscriber-based Curbside Recycling

This is the ideal option for Lake Lure, as it allows you the choice and convenience of recycling without increasing taxes.

Many people already recycle in some way or know someone who does.

Maybe, you're someone who wants to recycle, but you don't know where to start. What we all know is that it's the right thing for our community and the environment.

No matter where you fit into the recycling spectrum, the curbside option couldn't be easier, more convenient or more affordable.

Consider this:

- Recycling keeps reusable materials out of landfills
- It reduces our consumption of natural resources

A vibrant recycling program reflects a positive light on our community by visitors who see our commitment to the environment.

How it Works & What You Need to Know:

What to put recycling in:

After you sign up, you will be provided with two heavy-duty 18-gallon curbside recycling containers. You can either pick them up at Town Hall or have them delivered.

Collection day:

Your recycling is picked up on Wednesday mornings.

Make sure your items are sorted and your bins are visible at the curb or where your regular garbage is normally picked up.

How to sign up:

Lake Lure residents, including owners of vacation rentals, may contact Town Hall at 625-9983, or download a subscriber form at lakelurerecycles.com.

Click on the 'Go Green.' Those outside of town limits may contact Wade Nelon & Sons at 625-0378 to set up an account.

For Businesses:

To set up an account, contact our vendor or any other local providers who offer curbside recycling.

How to pay for it:

Lake Lure residents must pre-pay for the service. It's \$102 a year, year, (only \$8.50 a month), plus a

one-time fee of \$17.24 for the two bins. The cost of these containers is less than half the retail price. Optional lids are available.

How billing is managed:

For new subscribers, the first payment covers your containers and weekly service through June.

After that, you will receive a bill annually in July. Payment is due to the Town of Lake Lure.

What to Recycle:

Once you sign up, you will receive a instruction sheet you can post on the fridge or keep near by.

Quick Tip:

Never place recycling materials in a garbage bag or grocery bag. **Loose** is the word to remember

About Us:

The Hickory Nut Gorge Recycling Coalition is a public-private partnership between the Town of Lake Lure, the Village of Chimney Rock and a group of citizens and municipal leaders from both communities who have come together to inspire active recycling in the area.
