

LAKE LURE POLICE DEPARTMENT
Records Division of the Lake Lure Police Department

The Lake Lure Police Department is staffed by one Administrative Assistant that is supervised by the Chief of Police, who oversees the Administrative Section daily operation.

The Administrative Assistant is responsible for collecting, maintaining complete and accurate records, distributing and processing paperwork on all individuals arrested, also manual filing and entering data into the department's computer system. They submit crime analysis reports and statistics to the State Bureau of Investigation and for the Federal Uniform Crime Report (UCR). The Administrative Assistant also serves as an important public function, providing copies of accidents/case reports, permits and record checks as requested.

Should it ever become necessary for you to contact us we desire to put you at ease and serve you in the most professional manner. Below we provide you with good to know information about records procedures.

Requesting Police Reports

Like all government agencies, the Lake Lure Police Department is required under the Freedom of Information Act (FOIA) to disclose certain records requested in writing by person. Each state has its own public access laws that should be consulted for access to local records. You may find more information on this at the North Carolina Freedom of Information (<http://www.nfoic.org/north-carolina-foia-laws>) website.

Copies of reports may be requested in person, web request, or by mail. The officers have as long as needed to complete investigations. There are many variables which may come into play in whether your report is releasable. If your report is not available for release, you will be notified.

Accident Reports

There are no restrictions on release unless criminal charges were or are intending to be filed in relation to the accident. Public release must await final court disposition of any criminal charges.

Active Investigations

These case records are not accessible.

Arrest Reports

Request must be made to the court. Further information can be found at the North Carolina Department of Justice (<http://www.ncdoj.gov/getdoc/d89eb538-15a7-4f65-aa96-8219428e64bd/Background-Checks.aspx>) website.
