BOARD OF ADJUSTMENT AND LAKE STRUCTURE APPEALS BOARD

The Board of Adjustment hears and decides upon appeals from any decision, order or determination made by the Community Development Director in interpreting and enforcing the zoning regulations. The Board also approves conditional use permits and grants variances, in specific cases, from the provisions of the zoning regulations. Membership consists of five regular and three alternate positions appointed for staggered, three-year terms. These same members also serve on the Lake Structure Appeals Board, which is authorized to grant variances, in specific cases, from the dimensional and structural guidelines for lake structures (piers, docks, boathouses, sea walls). Meetings are held on the fourth Tuesday of the month. The Board of Adjustment meets at 1:00 PM and the Lake Structure Appeals Board meets immediately thereafter. Members of this board are required to participate in specialized training.

ZONING AND PLANNING BOARD

The Zoning and Planning Board is responsible for receiving, reviewing and recommending to Town Council revisions to the town's zoning ordinance, zoning map and subdivision ordinance as well as reviewing and approving all applications for major subdivisions. It may also conduct studies and prepare plans for the town council's consideration regarding orderly planning and development within the town. The zoning and planning board consists of five members appointed for staggered three-year terms. Meetings are held on the third Tuesday of the month at 9:30 AM.

LAKE ADVISORY BOARD

The Lake Advisory Board is responsible for making recommendations to the Town Council or the Marine Commission on matters such as revisions to regulations governing construction and use of lake structures, boat use regulations, silt removal, dredging and other means to improve the lake ecosystem and assembling a community network to handle warnings and cleanup after major storms. Seven individuals serve staggered three-year terms and each member has an area of responsibility, which they assume at the January meeting of each year. The Board meets on the first Monday of the month at 3:30 PM.

PARKS AND RECREATION BOARD

The Parks and Recreation Board has been charged with maintaining an inventory of all public lands designated or used for park purposes. The Board monitors the condition of park lands and recommends maintenance or repairs when necessary, or recommends development and landscaping where appropriate. The Board identifies those properties having potential for active recreation and coordinates with the Zoning and Planning Board to incorporate recreation facilities into the land use plan as well as the Lake Advisory Board regarding recreational activities on the lake. This is a seven-member Board serving staggered 3-year terms that meets at 1:30 PM on the first Thursday of the month.

THE ABC BOARD

The ABC Board consists of three members serving staggered, three-year terms. The Board has been charged by the State of North Carolina with the authority to adopt the rules necessary for the operation of its store, subject to approval by the state ABC Commission. This authority includes buying and selling of alcoholic beverages, supervising employees, borrowing money, buying and leasing real and personal property and investing surplus funds. The Board meets on the third Tuesday of the month at 2:00 PM.

If appointed as a Board member, your attendance and participation at the meetings is important and expected. Missing 3 consecutive meetings or 4 in a calendar year may risk removal from a board.
