**I. CALL TO ORDER**

Mayor Carol C. Pritchett called the meeting to order at 4:02 p.m.

**II. CONSIDER RUMBLING BALD REQUEST FOR WATER SKI SHOW ON MAY 23, 2026**

Jessica with Rumbling Bald presented to the marine commission a water ski Show. Will involve about 15 performers from the North and South Carolina show ski team, performing between 12:00 and 1:00 PM with 30 minutes setup and 5 minutes teardown in the water. The performance will include classic routines like water ballet and stacking performers. The performance area stretches about 500 feet from the beach inward, with an additional 200 feet buffer zone blocked off for safety. Beach landing procedures were clarified, allowing skiers to step out directly on the beach for smooth transitions. Safety and Area Closures required closing the arena and restricting kayak rentals during the show, with non-motorized rentals starting only after the event concludes. The closure zone is near the marina area where the fire boat is stationed, ensuring no water traffic interferes. This restriction was agreed upon by the lake advisory board and the command manager to avoid safety risks.

Boat Access and Travel Team Logistics confirmed no extended water access beyond scheduled times, as the team is used to quick drop-in and drop-out operations. Official boat names and links were collected for coordination and tracking purposes. The team's travel schedule was considered to avoid prolonged water presence and conflicts with other events.

Commission Scott Doster made a motion to approve the rumbling bald request for water ski show on May 23, 2026. Commissioner Jim Proctor seconded the motion and all were in favor.

**IX. ADJOURNMENT**

Commissioner Jim Proctor made a motion to adjourn. Commissioner Scott Doster seconded and the motion and all were in favor. Meeting ended at 4:07pm.
